REFERENCES

As an accomplished article writer and skilled translator in multiple languages, I have had the privilege of working with esteemed clients and colleagues who can attest to my proficiency in both disciplines. These references can provide valuable insights into my ability to create engaging, well-researched articles and to translate accurately while capturing cultural nuances. Their feedback reflects my commitment to delivering high-quality work and meeting project requirements effectively. Should you require further validation of my skills and work ethic, please don't hesitate to request contact details for my references.

ADDITIONAL INFORMATION

That's great to hear that you're an article writer and translator! Having proficiency in multiple languages can open up many opportunities in the field of content creation and translation.

CERTIFICATIONS

Certifications: Certificate in Advanced Translation English, Sorbonne University Paris, 2012

Professional Writing Certification, Dimond computer and software, 2018

SEO Copywriting Certification, Dimond computer and software, 2018

These certifications validate my expertise as both an article writer and a translator, demonstrating proficiency in linguistic skills and content creation across multiple languages. They also showcase a commitment to professional development and ensuring high-quality work in every project.

Here are some additional points you might want to consider highlighting when describing your skills and experience:

Translation Experience: Detail the type of translation work you've done. This could include documents, articles, websites, or even books. Mention any high-profile or complex projects you've worked on.

Tools and Software: If you're proficient in any translation or writing tools or software (like CAT tools such as SDL Trados, memoQ, etc.), it's worth mentioning.

Research Skills: Highlight your ability to conduct thorough research. This is crucial for creating accurate and well-informed content.
