

LIN, HSIN YU

Address (box 0317) Vital Decosterstraat 49, Leuven 300, Belgium
Nationality Taiwan
Telephone +32 456391551
Email hsinyouuu@gmail.com
Date of Birth 28.06.1997
Marital Status Single

Education

Since 09/2021

KU Leuven, Belgium

Master of Electromechanical Engineering Technology

03/2019-12/2019

Chung-Ang University, Korea

Mechanical Engineering, Exchange student

09/2015-01/2020

National Taiwan Ocean University, Taiwan

Mechanical and Mechatronic Engineering, Bachelor's Degree (3.1/4.0)

- Focus on solid mechanics and material science
- Bachelor thesis "Thermal analysis of thermoelectric materials" (92/100)

09/2012-06/2015

New Taipei Municipal Hsin Tien Senior High School, Taiwan

Work experience

03/2020-07/2021

Foxconn Interconnect Technology LTD, Taiwan

Mechanical engineer

- Design products, create engineering drawings.
- Communicate with factory members about processing issues.
- Analyze and solve design problems before producing.

07/2016-08/2016

Image Model Company, Taiwan

Internship, mechanical engineer

- Use HYPERMILL to create processes.
- Use Computerized Numerical Control to manufacture product.

Extracurricular activities

13/01/2019-26/01/2019 **University of the Philippines Visayas, Philippines**

New Southbound Internship Program

- Interact with Filipino students.
- Lecture courses and off-campus visiting.
