### PROFESSIONAL SUMMARY

I am an experienced and highly skilled German Translator, fluent in English, Dutch, Italian, French, and Spanish, with Eight years of professional expertise in delivering accurate and culturally nuanced translations. My work spans a broad range of industries, including medical, financial, legal, literary, travel, financial, and technical fields. Known for my precision and ability to meet tight deadlines, I consistently provide high-quality translations that are tailored to the specific needs of each project. My proficiency with advanced translation tools, combined with a deep understanding of linguistic and cultural subtleties, enables me to facilitate clear and effective communication across international markets, ensuring that every translation is both linguistically accurate and culturally relevant.

### EXPERIENCE

• January 2010 - July 2014

#### Freelance Translator

Upwork / Spain, Madrid

I provided expert translation services in French, English, Spanish, Italian, German, and Dutch, tailoring my approach to meet each client's unique needs.

I took on a variety of projects, including technical manuals, literary works, and business documents, applying my skills to ensure that each translation was accurate and culturally sensitive.

I embraced AI tools to streamline and enhance my translation process, integrating advanced technologies to achieve greater efficiency and precision in my work.

I developed a loyal client base by consistently delivering reliable, high-quality translations, which led to positive feedback and long-term relationships with clients.

• July 2014 - July 2016

#### Technical Translation Specialist

LinguaNet / Netherlands, Amsterdam

At LinguaNet in Amsterdam, Netherlands, I specialized in technical translation, focusing on translating complex digital and technical content for international markets. I meticulously ensured that all materials were not only linguistically accurate but also culturally appropriate for diverse audiences. My responsibilities included collaborating closely with developers, engineers, and subject matter experts to produce precise and user-friendly translations of technical manuals, product documentation, and software interfaces. I employed advanced AI-driven translation tools

to streamline the translation process, improving both efficiency and consistency. By integrating these technologies, I was able to enhance the quality of the translated content, ensuring it met the highest standards of accuracy and relevance. This role allowed me to refine my expertise in managing detailed and technical translation projects, addressing the unique challenges of adapting intricate content for global users.

---

• September 2016 - January 2018

## Medical Translator

HealthLingua / France, Bordeaux

At HealthLingua in Bordeaux, France, I specialized in medical translation, focusing on translating complex medical and healthcare-related documents for a diverse range of clients. I ensured that all translations were not only accurate but also adhered to the highest standards of medical terminology and cultural sensitivity. My role involved translating patient records, clinical trial documentation, medical research papers, and pharmaceutical texts, ensuring that technical jargon and nuanced medical terms were correctly conveyed.

I collaborated with healthcare professionals, researchers, and pharmaceutical experts to guarantee that the translations met both regulatory requirements and industry standards. My use of specialized medical translation tools and resources helped maintain consistency and precision across documents. This position allowed me to enhance my expertise in the medical field and contributed to effective communication between healthcare providers and patients across different linguistic backgrounds.

---

• March 2018 - March 2020

## Legal and Travel Translation Specialist

LexiTravel Solutions / Italy, Milano

At LexiTravel Solutions in Milano, Italy, I specialized in legal and travel translation, providing expert translation services for legal documents and travel-related materials. I ensured that legal texts, including contracts, agreements, and court documents, were accurately translated while maintaining the necessary legal terminology and cultural context. Additionally, I translated travel guides, brochures, and client correspondence, ensuring that the content was engaging and appropriate for diverse audiences.

My role involved working closely with legal professionals and travel industry experts to ensure the precision and relevance of each translation. I utilized advanced translation tools to enhance accuracy and consistency. This position enabled me to develop a deep understanding of legal and travel terminology while delivering high-quality translations that facilitated clear and effective communication across different languages and cultures.

• April 2021 - August 2024

## Senior Translator

Translation Services International / Germany, Munich

At Translation Services International in Munich, Germany, I served as a Senior Translator, specializing in medical, technical, legal, financial, travel, and cultural translations. My role involved managing complex translation projects across these diverse sectors, ensuring that all content was accurately translated and culturally relevant.

I translated medical records, technical manuals, legal documents, financial reports, travel brochures, and cultural materials, paying close attention to industry-specific terminology and context. My work required close collaboration with subject matter experts to guarantee precision and adherence to regulatory standards.

I implemented advanced translation tools and methodologies to enhance efficiency and maintain high standards of quality. My contributions helped streamline communication between clients and their global audiences, ensuring that each project met the highest standards of accuracy and cultural sensitivity. This role allowed me to deepen my expertise in multiple fields while delivering translations that effectively bridged linguistic and cultural gaps.

## EDUCATION

- February 2005 - August 2010

### Bachelor of Arts (BA)

University of Denver / United States, Colorado Springs

At the University of Denver, I developed a solid foundation in translation and intercultural communication, enriched by coursework in linguistic theory and translation studies. My education included practical translation projects that honed my skills in real-world applications. Additionally, I engaged with emerging technologies, including AI tools, which have become integral to modern translation practices. This early exposure to AI and its impact on translation workflows has been crucial in my career, allowing me to leverage advanced technologies for enhanced accuracy and efficiency in my translation work.

- February 2011 - October 2013

### Master of Arts (MA)

University of Madrid / Spain, Madrid

During my Master of Arts (MA) in Translation Studies at the University of Madrid, I focused on advanced translation techniques and methodologies, honing my skills in translating complex texts across various languages. The program provided a comprehensive understanding of translation theory and practice, with a strong emphasis on cultural and linguistic nuances.

I engaged in intensive coursework and practical projects that covered a range of fields, including legal, technical, medical, and literary translation. My studies also involved working with advanced translation tools and technologies, which enhanced my ability to deliver precise and culturally relevant translations.

This academic experience equipped me with a solid foundation in translation theory and practice, preparing me to tackle diverse translation challenges and contribute effectively to the field.
